

3ROOMS

GENERAL INFORMATION

3ROOMS is a 5 minute walk from Liverpool Street. It is a collaboration between PlayStation, award winning designer Tom Dixon and fresh new design talent, resulting in an innovative and inspiring space in London. It's where events genuinely come alive in a creative environment at the forefront of technology.

1ST Floor (Jacuzzi Stage):

An innovative stage/seating design means that this sunken seating area is idea for everything, from small meetings and presentations to staging larger screenings and stage performances

2ND Floor (The BoardRoom)

A multi media centre for all your business needs located in a quiet pocket of the first floor. The dual functioning table creates a boardroom environment by day, which is then easily transformed in to a casino table for roulette and blackjack at night

Roof Terrace (The PlayLounge):

Bringing to life the inimitable essence of the 3ROOMS, this area gives you the opportunity to experience entertaining content at its very best through a raft of multi-media experiences – music gaming, film and the web.
