

# AURA

## GENERAL INFORMATION

Aura Kitchen & Bar opened in April 2003, located under the Caviar House on St James Street, SW1. The eponymously named Aura is an intimate yet funky bar and restaurant. An array of comfortable sofas and armchairs are arranged in the centre of this space. The lighting system is multi faceted, washing the space with whatever colour and intensity is desired to set the mood. The overall atmosphere is evocative of a laid back New York Lounge bar.
