

# CC CLUB

## GENERAL INFORMATION

CC Club was launched in March 2001. Situated in the heart of London's West End, this flexible and contemporary space can play host to a wide variety of events, including large parties, (catering from 50 to 1,000), showcases, large exclusive dinners, as well as conferences. State of the art sound and lighting technology has been employed to provide an amazing variety of moods throughout the venue. Huge lighting panels can be set to an array of colours depending on the atmosphere you require. Wood and stone features surround a large dance floor and two very extensive bars serve the main room. Numerous leather chairs and sofas are dotted around the venue, giving it a modern and cosmopolitan feel.

### Champagne Lounge:

This area can be used to complement the main room, either as a VIP or a 'chill out' area. Featuring separate sound and lighting, as well as it's own bar and DJ booth.

### The Blue Room:

The blue room is the first of two VIP rooms. Tucked away to one side of the club with its own individual lighting effects, this room is an intimate and incredibly comfortable space in which to entertain guests.

### The Dom Perignon Bar:

The 'DP Bar' is the first Dom Perignon Bar in Europe and provides the second of the VIP spaces within CC Club. Ensnconced behind glass screens, this is a lavish and perfect jewel-coloured space.

### Bathrooms:

One of the most unusual design features at CC Club has to be the bathrooms, with an amazing space age inverted-dome unisex washbasin and peep holes in the frosted glass to allow you to indulge in a spot of voyeurism whilst washing your hands!

## GROUP BOOKINGS AND EXCLUSIVE EVENTS:

CC Club is ideally suited for glamorous parties for up to 1,000 guests, as well as theatre-style conferences, private dinners, and showcases. Exclusive use of different sections is also available for parties over 50.
