

VINYL FACTORY

GENERAL INFORMATION

Situated in the heart of Soho, London, The Vinyl factory has an impressive line-up of companies who have used the space since its opening in 2003.

The Vinyl factory is approximately 8,000 sq ft of event space and has two entrances, one through Phonica records on Poland Street and the other at Fouberts Place on Marshall street.

Both rooms are available for hire and are suitable for launch parties, press days, fashion shows and much more.

The Vinyl factory Gallery really has to be seen to be believed.

The Main Gallery:

The main gallery space is 4500 sq ft in size, with white walls and pillars and a painted concrete floor. With some unusual features and natural lighting that streams through the glass blocks which cover approximately a quarter of the ceiling.

Studio:

We also have a smaller studio area, approximately 1,250 sq ft, with exposed red brick walls with a wooden floor.
