

NOZOMI

GENERAL INFORMATION

Beauchamp place has turned Japanese this summer after the July launch of the uber-stylish contemporary Japanese restaurant Nozomi. Situated in the heart of Knightsbridge, Nozomi has quickly established itself as a premier destination for gastronomes and discerning bar goers. With its sublime range of traditional Japanese dishes, superb drinks and chic design.

The front of house cocktail bar with its dark wenge floors, bespoke silver grey leather seating and stunning black granite bar cleverly mixes contemporary style with subtle touches of Art Deco. The perfect setting to indulge in a pre-dinner cocktail from the diverse list on offer.

The raised ground floor restaurant and first floor sushi bar both have a natural feeling of 1920's glamour with off white silk lined walls and luxuriously soft leather banquettes flooded with light from a dramatic glass roof.
